A unique work environment

PBI's work philosophy is based on open-mindedness and the active involvement of all its associates.

In fact, our company encourages growth both in a personal and professional level inside a healthy respectful learning environment. More specifically, our core values are cooperation, self-sufficiency for teams as well as individuals, dedication towards our clients and our Company, development of skills, confidentiality, efficiency, creativity, thoughtful decision-making, precision and synergy.

Tasks and responsibilities

- Produce pension benefit calculations or any other document pertaining to pension plan administration
- Ensure that certain plan information is available to those who are entitled to receive it and that the information is accurate and complete, and provided within the timeframe specified in the rules and regulations
- Provide plan beneficiaries information about their rights and responsibilities in respect to the pension plan
- Determine plan beneficiaries' entitlements under the pension plan
- Interpret and apply pension plan texts, administrative policies and related legislation
- Provide assistance for any related work or special projects

- Develop routine client correspondence
- Process pension plan expenses
- Data entry for pension contributions and related work

Qualifications

- Post-secondary education and/or related courses (CEBS)
- Minimum 1 year of experience in defined benefit pension plan administration (recommended)
- Demonstrates attention to detail and strong organizational skills
- Strong analytical and problem-solving skills
- Strong communication skills, both written and oral
- Able to work under deadlines and on several projects simultaneously
- Commitment to superior client satisfaction
- Strong excel skills

Other qualities

- Is a team player, yet is self-sufficient and shows initiative
- Able to easily adapt in a new work environment

Terms and conditions of employment

- 1 year contract position with possibility of being a permanent position
- 40 hour weekly schedule
- Salary will be based on experience and our internal policy in force
